"If you fail to prepare your surface prepare for your surface to fail"

Opening Soon Milton Keynes depot

Following our success in Manchester and to support the ongoing requests from customers old and new we will soon be opening in Milton Keynes at the address below more than 5000 sqft

UNIT 74 TANNERS DRIVE , BLAKELANDS

MILTON KEYNES , MK14 5BW

Its our aim to be able to offer and support the "hire of surface preparation" requirements of the London area as well as East Midlands and East Anglia, but save our clients by less transport charges and faster lead time. It will benefit from:

- Even larger warehouse to store our huge variety of equipment,
- 400sqft of showroom and trade counter, stocking same great range as always
- dedicated workshop environment to make sure we keep our equipment in the best condition our customers expect.
