"If you fail to prepare your surface prepare for your surface to fail"

Manchester depot

With almost 2 years of trading under its belt this depot has grown to offer the full range of equipment we have for hire across the north west of the UK and also supported customers in Scotland, North East and Midlands. - From small hand tools to large ride on machines, Baron forced action mixers and the new Makinex breaker trolleys.

**UNIT 29 WESTBROOK PARK, TRAFFORD PARK,
MANCHESTER, M17 1AY.**

Tel 0161 241 8526

We now have 3 full time staff members and has more than 200k of hire fleet stock items and more than £20k of sales stock with more arriving every day.

This facility will support our on going operations of surface preparation equipment and coatings across the UK.

So call us now on the number above where we can best advise on our fast range of products

Remember "if you fail to prepare your surface prepare for your surface to fail"
