

HIRE FLOOR GRINDER SPE DFG500 TWIN

Week Hire: £525.00

To successfully grind large floor areas a heavy duty floor grinder is required. The DFG 500 gives complete operator control and at the same time has the correct weight to act directly onto the grinding plates to facilitate accurate and rapid grinding.

- 500mm (19.7?) working width twin head design
- Removeable ballast weights and hydraulic raise/lower facility.

CAN BE USED WITH DIAMOND PLATES OR PCD COMBI DISCS, wear charge per mm or if plates worn out charged off instead with no wear charge.
