

A30 HIRE SELF PROPELLED TILE STRIPPER WOLFF TURBO 350MM ELECTRIC

Weekly Hire: £300.00

The Wolfe Turbo Stripper is a very heavy-duty tile stripper fitted with removable 120 kgs weights. It's a self-propelled 110v 32amp tile stripper for vinyl and carpet tiles from large corridors, large rooms, and showrooms. It has a speed of 2.5mph and can achieve up to 30 sq m per hour on 3mm vinyl and carpet tiles. We have a range of blades to suit including wing-tipped blades which will pre-cut vinyl for you saving both time and effort. This machine shouldn't be used on ceramic tiles or ceramic tile adhesive.
