

# EF1 MAGNESIUM BULL FLOAT 900MM 900MM

**Weekly Hire: £75.00**

Magnesium bull/easy float is a general purpose tool designed to smooth and improve the surface of concrete flat work, and are made from extruded magnesium which offers strength, durability, manageability at a lightweight. The blade of the bull float is curved ('bull' nosed) at the ends to prevent digging of the work surface and eliminate lap marks. Minimum of a weeks hire
