

Husqvarna KV 760

Husqvarna cutting trolleys are designed specifically for Husqvarna's handheld petrol power cutters. The flexible trolleys are easy to transport and enable quick and easy installation of the power cutters. Suitable for precise cutting in many different applications such as ground work, asphalt cutting in road works and burying of cables.

QUICK AND EASY INSTALLATION

Thanks to the quick connections the power cutter is easy to install.

TRACK CONTROL

Easy to cut in straight or curved lines, close to walls and curbs, thanks to the laterally adjustable wheels.

EASY SETTING OF CUTTING DEPTH

Facilitates adjustments and returning to the previous setting.

EASY TRANSPORTATION

The cutting trolley is easy to fold to facilitate transport and storage.

Features Husqvarna KV 760

- Water-saving
- Time-saving
- Depth limiter
- Lateral adjustment enables cutting in straight or curve lines.
- The quick mounts make it easy to install the cutter on the trolley.
- The rear handle has been redesigned with a soft insert that provides better grip for the hand and facilitates when using your hip for support. Refuelling is easier with the fuel cap moved to the right side, and vibration damping has been further improved by an adjustment of the front spring.
